WE'RE HIRING

Air Conditioning Installation Engineer

Permanent | Full time | Monday to Friday

Based in Cheltenham, covering Gloucestershire and the South West

£38,000 to £45,000 + installation bonus + uncapped overtime

About us

Heidi Air Conditioning is an established business, based in Andoversford. We install and maintain air conditioning systems for businesses and homes throughout Gloucestershire and neighbouring counties.

The role

- Install split, multi-split, floor standing, cassette and ducted systems
- Braze, insulate and route pipework, condensate and trunking neatly
- Pressure test, evacuate, charge and commission
- Complete F-Gas records and job paperwork
- Hand over systems and explain controls to customers
- Service, maintain and fault find Daikin systems

You will have

- NVQ Level 2 Diploma in Refrigeration & Air Conditioning (or equivalent)
- City & Guilds 2079 F-Gas & ODS (or equivalent)
- 2+ years' commercial refrigeration and air conditioning installation
- Strong technical knowledge of RAC systems and a full UK driving licence
- A proactive, enthusiastic attitude and a real interest in the industry
- Willingness to progress through structured training
- The ability to work alone or as part of a team

Nice to have: NVQ Level 3 Diploma, hydrocarbon certification, IPAF, PASMA or CSCS.

What you get

- **£38k to £45k**
  salary, depending on experience
- **Installation bonus**
  paid on top of salary
- **Uncapped overtime**
  available
- **No call outs**
  or weekends unless agreed
- **Company van**
  provided
- **25 days holiday**
  plus bank holidays
- **Company pension**
- **Additional training funded**
  and room to progress
